These costs were accurate at the time of uploading to our servers and are subject to change without warning or notification to the customer. Any errors are equally subject to spontaneous correction. These prices are not to be treated as quotations, as specific requirements may adjust pricing of packages in either direction, to be established at time of enquiry.

Any additional coverage of time, events, or people may incur an additional hourly rate, calculated at the time of enquiry. Prices do not include GST; add 10%.

Unmanned Aerial Vehicles (drones) can only be controlled by licensed operators. Flight restrictions are heavily regulated and, where necessary, we reserve the right to refuse Aerial Cinematic services on legal grounds. Any Permit costs (filming, drone usage, photography) may be passed onto the client, after time of quotation.

All of our Video Packages include a Full Wedding Video of 1-3 Hours and a Cinematic Highlights Reel of 1-3 Minutes, depending on footage.

Add-Ons

Third Cinematographer

We bring a Third Camera and a Third Cinematographer to your Wedding for superior coverage of the Ceremony and the Reception. This livens up the result, especially for longer Ceremonies, and allows us to capture a lot more throughout the day.

additional coverage extra

4K Aerial Cinematography

If close isn't your style, we can bring along a drone instead of our gimbal and capture the beautiful sweeping landscapes of your beachfront wedding from the skies above, bringing and creating a unique and gorgeous new point of view to your special day.

add \$2199.00 ex. GST

additional coverage extra

Film Photography

As above, but during your hour of dedicate creative Photography, instead of our standard Digital Camera, we use the best Medium Format Film on the market to create beautiful images that digital simply can't recreate - we use six rolls of Film, in any combination of colour and black and white, to create stunning images that will prove to you, without doubt, that Film will never die!
